

ASEP 2019 (January 8–March 21) REGISTRATION INFORMATION & CLASS DESCRIPTIONS

WHEN AND HOW

Parents may access the registration site and **begin registering at 6:00 am Monday, December 10, 2018, through 6:00 pm Thursday, December 20, 2018.** *If you do not have access to a computer, please contact the ASEP co-chair, Adam Kirschenbaum (aikbaum@hotmail.com), for assistance.*

Registration and payment for 2019 ASEP classes are to be completed electronically via ActiveWorks, a secure Internet site for online school payments. **Please follow the prompts closely and DO NOT register your child more than once for a class!**

The link to register will be available on the Key School website at:

<https://campscui.active.com/orgs/FrancisScottKeyElementarySchool?orglink=camps-registration>

FEES

Course fees, including any materials fee, are due at the time of registration and should be submitted electronically via the ActiveWorks website. The base charge for all classes is \$150 (9-week sessions for Tuesday & Wednesday classes; 10-week session for Thursday classes).

ENROLLMENT LIMITS

All 2019 ASEP classes have enrollment capacity limits. Registrations are handled exclusively on a first-come, first-serve basis.

The course information packet notes the capacity limits for all courses. If your child is interested in a particular class, please try and register as soon as possible. If the class is full, you may add your child's name to the waitlist, which is integrated into the website registration process. We will work to do whatever we can to minimize disappointment, but in some cases demand will exceed available slots.

After registration is complete, we will fulfill waitlist requests on a first-come, first-serve basis as well. If you are offered a waitlist position, you must decide within 24 hours or it will be offered to the next child on the list. Thank you in advance for your understanding.

CHANGE REQUESTS

To ensure fairness and the greatest opportunity for all children to take an ASEP class, please plan carefully before registering. Given the first-come, first-serve nature of the enrollment process, a registration ultimately changed or cancelled could deprive another child of that slot. In an effort to minimize this, we have a ***limit of one free change request per child.*** This means you may switch or drop a class only once free of charge. ***Change requests beyond the first will***

incur a \$25 administrative fee.

WHERE TO GET HELP

Although the ActiveWorks website is in widespread use and generally works smoothly, we all know that programs and websites—like humans—are far from perfect. If you experience difficulties during the registration process, please contact Adam Kirschenbaum (aikbaum@hotmail.com) for assistance. We will do our very best to resolve any issues as quickly and fairly as possible.

We have a great lineup of classes this year! Thank you Key School teachers and parents for making the program possible!

Tuesday

Perfect Paintings (PK–2)
Eco Crafting: Transforming Trash Into Treasure w/ Harbold (K–2)
Cartoon Character Drawing w/ Wall (1–2)
Scavenger Hunts w/ Wachter (1–2)
STEM w/ Larkin (1–5)
Typing Trainees w/ Lemere (2–5)
Stories & Legends w/ Wetherald (3–5)
Sports w/ Colton (3–5)
Inspired Painting (3–5)

Wednesday

Art and Literature w/ Scholem (K–1)
Chess Masters w/ Wetherald (K–2)
Indoor Soccer w/ Wall (1–3)
Art w/ Gilden (2–4)
Budding Historians Book Club w/ Lemere (3–5)
Crafts (3–5)
Drawing Still Life in Pencil (3–5)
Scavenger Hunts w/ Wachter (3–5)

Thursday

Storytime Arts & Crafts (PK–K)
Sports w/ Colton (K–2)
Crazy Card Class w/ Lemere (1–5)
Writing in Cursive w/ Larkin (2–5)
Eco Crafting: Transforming Trash Into Treasure w/ Harbold (3–5)
Mindfulness & Movement w/ Smith (3–5)
Stories & Legends w/ Wetherald (3–5)

Tuesday

Perfect Paintings (PK–2)

Students will explore different painting techniques to create their own perfect paintings. We will use a variety of inspirations to hone our artistic talents. Smocks encouraged! *(Class size 12; materials fee \$20)*

Eco Crafting: Transforming Trash Into Treasure w/ Harbold (K–2)

Give items destined for the recycling bin or landfill new life through creative repurposing. Students will create art, build models, design toys, and make mini greenhouses from discarded materials while learning about environmental stewardship. *(Class size 12; materials fee \$15)*

Cartoon Character Drawing w/ Wall (1–2)

Learn how to draw your favorite cartoon characters! Students will learn the basics of tracing and drawing and use these skills to create or trace their favorite cartoon characters. As skill level increases, more challenges will be added to drawing, including animating characters with flip books! *(Class size 12; materials fee \$10)*

Scavenger Hunts w/ Wachter (1–2)

A scavenger hunt adds an element of competition, urgency, and excitement to any everyday event and makes it something special and memorable. Enjoy weekly challenges with new and surprising themed hunts. Students will follow a series of clues/riddles along a predetermined path that leads to a treasure. The player or team who follows all of the clues and finds the treasure first wins! If the students outsmart the clues, which is likely, we will end the class with a game of Left, Right, Center, a dice game that involves game chips and luck! *(Class size 10; materials fee \$10)*

STEM w/ Larkin (1–5)

Love science and technology? Then this course is for you! We will work together to complete STEM (science, technology, engineering, and math) activities that will challenge us to use our problem-solving skills. We will learn as we create, re-do, re-cut, re-build, and re-think! We will be thinking critically, collaborating, and problem solving. Best of all, it's engaging and fun! So come join us and become STEM thinkers! *(Class size 12; materials fee \$15)*

Sports w/ Colton (3–5)

Come join Mr. Colton for an afternoon of sports! Students will participate in soccer, basketball, hockey, rope climbing, and more. *(Class size 20)*

Tuesday (cont.)

Typing Trainees w/ Lemere (2–5)

Do you ever watch your parents or teachers type extraordinarily fast? Would you love to learn the same skill and become a speedy, proficient typer? In this class, we will use typing programs to learn how to most effectively increase our “words per minute,” using the home row and learning all of the other keystrokes. *(Class size 15)*

Stories & Legends w/ Wetherald (3–5)

Stories & Legends is an interactive storytelling game in which players will take the role of a character in a fantasy setting. Players will work together to complete quests, solve problems, and find treasure. The actions of the characters will determine how our story is told, and we will record part of our epic tale after each session. Time to grab your map and cloak to join in the adventure! *(Class size 8)*

Inspired Painting (3–5)

Students will design an inspiring canvas using different creative techniques each week layering upon the work they did the week before. We will select inspiring words and images and apply fun painting techniques using q-tips, bubble wrap, paint dripping, and others. Smocks encouraged! *(Class size 10; materials fee \$20)*

Wednesday

Art and Literature w/ Scholem (K–1)

Each week we will read some wonderful picture books together. Some will be favorites to reread and others will be new to everyone. We may sing songs or play some games that go along with the theme of the books. There will always be a related art project using a variety of materials for the children to use. (Class size 12; materials fee \$15)

Chess Masters w/ Wetherald (K–2)

Welcome to the world's most beloved strategy game! Chess Masters will give students an introduction to the pieces, movements, and strategies to the game of chess. The class will place less emphasis on competition and more attention on cooperative skill building. Students will actively engage in the game by using computer-simulations, strategy building, and the traditional game. Chess Masters will be a great way to build critical thinking skills while having fun! (Class size 16)

Indoor Soccer w/ Wall (1–3)

Have fun practicing your soccer skills and learn how to play indoor soccer! Students will practice soccer foundations in a fun environment. They will also learn the rules for playing indoor soccer and compete on small teams against each other. (Class size 20)

Art w/ Gilden (2–4)

Draw, paint, sculpt, and weave! Learn about types of art and materials to make your own artwork. We will use watercolor paints, tempera paints, artists' colored pencils, pastels, and more to create art based on famous artists and use techniques from different cultures. (Class size 12; materials fee \$20)

Budding Historians Book Club w/ Lemere (3–5)

Come and delve deeper into the past as we explore, through firsthand experience, what World War II was like for various kids in the past. We will read Lois Lowry's acclaimed book *Number the Stars* and John Boyne's *The Boy in the Striped Pajamas*. (Class size 15; materials fee \$15 for books)

Crafts (3–5)

Students will explore a series of craft activities, from sewing to making gift boxes to even creating jewelry. They will have fun learning new skills, while at the same time creating their new treasures. (Class size 12; materials fee \$20)

Wednesday (cont.)

Drawing Still Life in Pencil (3–5)

Students will learn basic drawing skills and the importance of line and colors drawing still life images. They will become familiar with the two fundamental elements of all art: compositions and shades. Students must come with a notepad (14" x 17"), a 2B pencil, an eraser, a pencil sharpener, and color pencils. (*Class size 12*)

Scavenger Hunts w/ Wachter (3–5)

A scavenger hunt adds an element of competition, urgency, and excitement to any everyday event and makes it something special and memorable. Enjoy weekly challenges with new and surprising themed hunts. Students will follow a series of clues/riddles along a predetermined path that leads to a treasure. The player or team who follows all of the clues and finds the treasure first wins! If the students outsmart the clues, which is likely, we will end the class with a game of Left, Right, Center, a dice game that involves game chips and luck! (*Class size 10; materials fee \$10*)

Thursday

Storytime Arts & Crafts (PK–K)

Each week we will read and discuss a story and then do a fun craft that will make a part of the story come to life. Children will be able to take their crafts home each week, and parents will be provided with the name, author, and questions we discussed. On our last class each child will get the chance to share their favorite book! *(Class size 12; materials fee \$15)*

Sports w/ Colton (K–2)

Come join Mr. Colton for an afternoon of sports! Students will participate in soccer, basketball, hockey, rope climbing, and more. *(Class size 20)*

Crazy Card Class w/ Lemere (1–5)

Do you enjoy playing card games? This club will introduce students to the basic elements of a multitude of card games—Spades, Hearts, Rummy, Spoons, Old Maid, and many more. *(Class size 15)*

Writing in Cursive w/ Larkin (2–5)

Always wanted to learn how to write in cursive? Well here is your chance! We will practice our penmanship as we learn the best practices for writing in cursive. We will learn how to form the letters correctly, how to control our pens while we write and end our class with a project that encompasses all we have learned. We will even get our own writing journal and special pen! So come join us and learn how to write in cursive! *(Class size 16; materials fee \$10)*

Eco Crafting: Transforming Trash Into Treasure w/ Harbold (3–5)

Give items destined for the recycling bin or landfill new life through creative repurposing. Students will create art, build models, design toys, and make mini greenhouses from discarded materials while learning about environmental stewardship. *(Class size 12; materials fee \$15)*

Mindfulness & Movement w/ Smith (3–5)

Students will explore mindfulness practices through meditation, movement, journaling, and problem solving. This class will encourage students to take time to slow down, reflect, and practice gratitude. Your child will gain confidence, self awareness, and a sense of calm that will translate into the school day and at home. Please have your child bring a yoga mat and a blank journal of their choosing. *(Class size 12; please contact the instructor if your student does not have a yoga mat or a journal, and we will find a way to provide one for them.)*

Thursday (cont.)

Stories & Legends w/ Wetherald (3–5)

Stories & Legends is an interactive storytelling game in which players will take the role of a character in a fantasy setting. Players will work together to complete quests, solve problems, and find treasure. The actions of the characters will determine how our story is told, and we will record part of our epic tale after each session. Time to grab your map and cloak to join in the adventure! (*Class size 8*)
